

For Immediate Release

Goyette Mechanical Named **Top Workplace** in Michigan by the Detroit Free Press

November 19, 2023

Goyette Mechanical is thrilled to announce they have been awarded the **2023 Detroit Free Press Top Workplace Award**. Top Workplace recipients are selected based upon a third-party employee survey that measures company culture and employee satisfaction through a variety of benchmarks. Employees are asked to gauge such criteria as professional development opportunities, work-life balance, compensation and benefits, and employee morale. This is Goyette Mechanical's first time to receive the distinction as a Top Workplace, a nationally recognized program that is regionally highlighted in Michigan through the Detroit Free Press Award.

The Company's Owner and President, Dominic T. Goyette, shares that "Goyette Mechanical is proud to be headquartered in Flint, Michigan and recognized by the Detroit Free Press as one of the Top Workplaces in Michigan. "We were also recently recognized by Engineering News Record (ENR) as one of the 50 largest Mechanical Contractors in the country and one of the 10 largest Sheet Metal contractors in the country." "Our business continues to expand thanks to our great employees and the wonderful business climate in Michigan." "Thank you to all of our employees and customers who help us continue to reach our goals!"

Goyette Mechanical's performance in the 2023 ENR TOP 600 Specialty Contractors is an indicator of its strength as an industry leader. This year's placement landed Goyette as the top 8th National Sheet Metal Contractor and the 229th US ranked Specialty Contractor, an accomplishment that resonates as the company celebrates its 95th anniversary this year.

Goyette embraces the principle that people are the core to the success of the company. Goyette's Director of Construction Sales, Thomas B. Halligan reflects on the accolades, "As we continue to grow and strive to deliver the highest quality and value, we want to thank all of our employees and trade partners locally and throughout the Midwest." "We are only as strong as our partnerships with each of you." "We look forward to working safer, smarter, and stronger together!"

Headquartered in Flint since 1928, Goyette has completed hundreds of projects across the country, hiring locally for project completion. Goyette has developed a reputation as one of the most trusted and dependable leaders in the industry, delivering with quality, experience, and integrity. Goyette Mechanical is a leading 3 Trade Contractor including Piping, Sheet Metal & Electrical, Design Assist/Design Build, Construction and Residential Service and Maintenance provider with a local and national footprint.
